To: Our Guest Instructors & Professional Associates, Pricing Schedule Effective 1/1/09

For scheduling a class you can go to our website calendar to see what dates are available for use of the classroom at: <http://www.bridgeportshootingrange.com/calendarLarge.php>

In order for us to continue to deliver the clean and safe range that you have come to expect, we are forced to formalize certain business practices. One of these practices is to standardize guest instructor use-rates for the facility.

We are proud of the fact that our facility is kept clean and safe through aggressive air system and range equipment maintenance. As you can well imagine, this translates into direct and unavoidable expenses. We have become known and respected in the area for our willingness to open our facility to other instructors (competitors), for the good of the sport and with the genuine desire to increase the level of professionalism for all who work in an armed capacity.

We appreciate the fact that you, like ourselves, must control operational costs, both direct and indirect, in order to remain in business. For this reason we anticipate your understanding and cooperation with the following conditions and pricing schedules as it pertains to your use of our facilities.

- Guest Instructors who wish to use the range and/or classroom **MUST** make arrangements a minimum of 2 week in advance. To do this you must speak directly with Jamie Keever, Operations Manager.
- Range management **MUST** approve all non-standard training curriculums in advance.
- Guest Instructors are required to be present at least one half hour prior to class start time, so they may greet and direct their students. (This also allows us to meet any last minute needs you may have.)
- Payment for facility use must be made at time of use unless prior arrangements are made.
- Any use of the facility during non business hours needs a minimum of 3 weeks advanced notice and must be coordinated with Jamie Keever Operations Manager. Pricing to be discussed at scheduling of date.
- "No Show" classes/instructors will result in a penalty charge of \$100.00
